

The Today Show:

“A man who’s a rockstar in corporate America.” – Matt Lauer

O, The Oprah Magazine:

“...he’s devoted his life to helping other people decide what to devote their lives to.”

USA Today:

“...unlikely oracle: British boy wonder.”

“...climbed to the top of the business guru heap.”

“...a management sage...”

“‘He’s probably the best speaker that I’ve ever seen,’ says Mark French, president of speaker bureau Leading Authorities. ‘He’s able to connect with an audience in a way that is very rare.’”

“Buckingham’s secret to individual success is to figure out what you don’t like to do and stop doing it. He discovered the power of an open ended question.”

“Say goodbye to the faceless work in the gray flannel suit.”

The Wall Street Journal:

“he is preternaturally focused.”

“He knows that one cannot build on weakness.”

Business Week:

“arguably the business world’s most in-demand management guru.”

“simple but radical advice for executives”

Fast Company:

“...he’s spent his 15-year career as a pioneering researcher and global-practice leader at the Gallup Organization ...”

“...remarkably good at communicating his subversive message.”

“...helped build a ballooning consulting practice at Gallup...”

“...tireless Buckingham...his pathtaking research...” –

Fortune:

“The ideas in the book (*First, Break All the Rules*) ... were the genesis of a booming segment of Gallup’s business”
“Together, the books launched Gallup into the big leagues, with a string of huge clients like Toyota, its Lexus division, Fidelity Investments, International Paper, HCA and Best Buy.”

The New York Times:

“...first digitally interactive business book...”
