

Coaching Essentials

for Team Leaders

PROGRAM OFFERING

GIVE YOUR TEAM LEADERS PRACTICAL COACHING SKILLS

The fastest way to accelerate individual team member performance is to provide real-time, in-the-moment coaching that addresses specific situations or challenges. This practical and experiential program empowers people leaders with strengths-based coaching skills, based on a simple coaching model and the core conversations that team leaders can use to set their people up for success at work.

Team Leaders Will

Build rapport and trust with team members

Ask powerful questions and be curious first, critical second

Provide performance feedback that inspires others to action

Hold direct reports accountable in a caring way

Reframe situations to create more productive outcomes

Examine their own thinking, questions, and stories to choose a more powerful narrative

Benefits for Organizations

- Build the coaching capacity of your team leaders to drive team engagement and business results.
- Consider for:
 - Leader development
 - New team leaders
 - Project or cross-functional leaders

Benefits for Team Members

- Perfect for team leaders who want to:
 - Develop their coaching skills
 - Proactively address the key conversations they have with team members

Why TMBC?

The Coach Approach

Our programs are based on the hallmark of great coaching: one size fits one. This personalized approach shifts perspectives and offers proven strategies to tackle real-world business challenges.

Strengths-Based

People who play to their strengths every day outperform those who don't. We inspire everyone to discover their unique strengths and use them to achieve outstanding business results.

Data-Driven

More than two decades of research have helped us identify the specific habits and rituals that help top team leaders to accelerate performance.

StandOut® Technology

Our StandOut technology platform sustains the strengths-based approach by giving team members and leaders tools to know, focus, and engage their strengths at work.
