

# StandOut® Team Performance

Successful organizations rely on high performing teams. With StandOut®, powered by ADP®, give your leaders the tools they need to reliably measure – and move – the needle on engagement across your organization. Generate results at scale by enabling your team leaders to build more teams like your best teams.

## WHAT'S INCLUDED

### Check-Ins

Creates a consistent framework for frequent 1:1 conversations that align people's key priorities to their strengths

### Engagement Pulse

Real-time, reliable 8-question engagement survey to measure team engagement

### Team Leader Engagement Coaching

Personalized in-platform coaching to empower team leaders with actionable engagement insights

### Admin Tools & Reporting\*

Empower leaders and HR to increase engagement with real-time data and insights

### StandOut Assessment

15-min strengths assessment identifies your Top 2 StandOut Roles & personalizes content

### Dynamic Teams

Create teams to reflect where the work happens: cross-functional and project teams as well as in formal org structure

### Coaching Channel

Curated professional coaching content for team members to help them be their best at work

**“Our employees are more connected to our company and mission than ever, and the high-touch relationship with ADP during our own implementation has even given us great ideas for how we can create more touchpoints with our own clients.”**

**Bryan Mayfield, President & CEO, Atlantic**
