

Amy Leschke-Kahle

Vice President of Performance Acceleration

Responsibilities

As Vice President of Performance Acceleration at The Marcus Buckingham Company (TMBC), Amy Leschke-Kahle collaborates with clients to transform organizations by activating talent. Using her first-hand experience to customize her approach to the unique culture of each company, she helps clients turn TMBC's revolutionary research into groundbreaking results.

Experience

Before coming to TMBC, Amy led talent, HR technology and HR analytics for several Fortune 500 companies. Most recently, she served as Vice President of HR Services Solution Center at Kohl's Department Stores. She has also been involved in implementing global lean manufacturing initiatives, knowledge management and employee collaboration solutions, talent acquisition, and academic leadership.

Amy holds a chemical engineering degree from Miami University (Ohio) and an MBA from the University of Wisconsin-Milwaukee.

Areas of Expertise

- Real-world application of HR Analytics
- Strategic HR Transformation, including performance, engagement, employee development
- Real-world talent activation
- Pulling the future of work into the world of today
- Transformational culture change, speed to impact
